Dear Parent (s)/ Guardian,

Beacon Cove Intermediate School has a Developmental Guidance Program which is designed to support students, teachers and families through classroom guidance lessons, small group counseling and individual counseling. At Beacon Cove, you have two school counselors to provide families with support relating to your child's social, emotional and academic development. Mrs. Butler and Mrs. Turney will both be working with all students through classroom guidance lessons while also providing small group and individual counseling to students in need.

Classroom guidance lessons will focus on resolving conflicts with others, building positive character traits, and learning skills to be a successful student.

There will be opportunities for students to participate in small group counseling during the school day. Students may be referred by teachers, parents, or themselves. Parent permission slips will be sent home and required for admittance to the group. These groups will be for students in need of additional assistance to address issues such as:

- Bereavement/Grief
- Divorce/Changing Families
- Worry/Anxiety
- Social Skills
- Anger Management
- Confidence Builder

If we can be of assistance to you during the school year, please feel free to contact us at 561.366.6411.

We hope you and your children have a fantastic year!

Sincerely,

Mrs. Elizabeth Butler and Mrs. Haley Turney
