

NEW for Back to School SY19 - EASY ACCESS TO ONLINE TEXTBOOKS

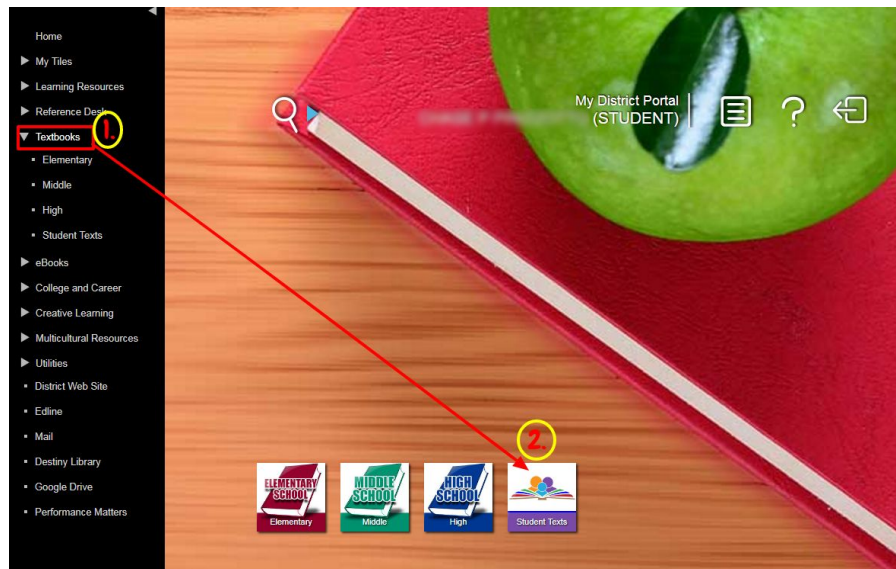

Many courses/classes* include access to online Textbooks and Resources.

Students will find their assigned* online books in one place right on the Student Portal!

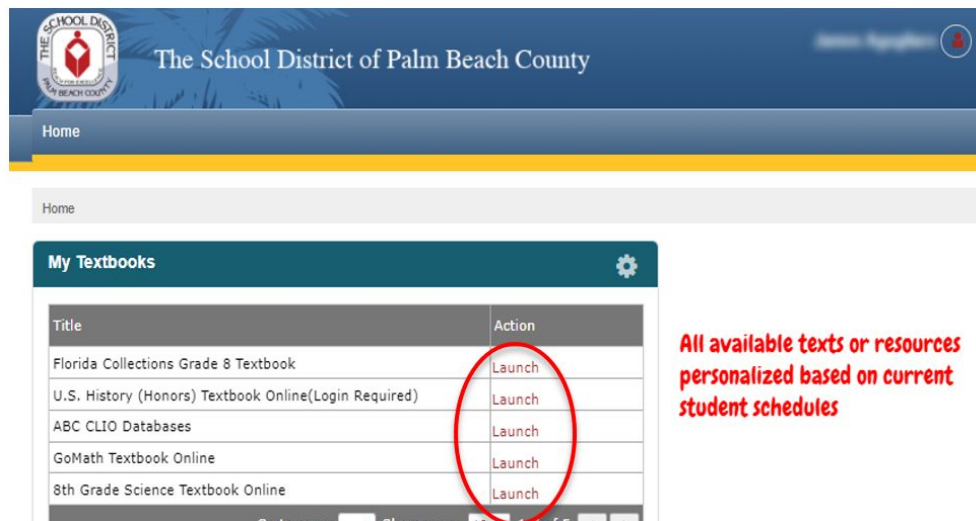

To access Online Student Textbooks:

It is important to restart your browser (Chrome, Edge, Firefox etc.) each time a new person is logging on the student portal to access textbooks.

1. On the student portal, find the section for Textbooks and **select the tile for Student Texts**

2. This will load a page that provides all available links to assigned "books or resources" for the student's classes*

3. Click to "Launch" the selected links for your course resources
 - a. Many will be direct access and will not need a username or password
 - b. If a username and password is required, a reminder of how to log in and the link to do that will be provided
 - c. For some older books, there will be a link to a PDF version of the text
 - d. * Students must be actively enrolled in an appropriate course/class to get links
